DEPARTMENT OF SCIENCE & HUMANITIES

REPORT

Department of Science and Humanities of Anjuman College of Engineering and Technology (ACET), organised the Soft Skills Training **THE CORPORATE CONNECT**, a unique employability Skills enhancing program of forty hours from 21st May 2023 with the goal of giving students skills that go beyond what they learn in institute in association with Life Smith India. The complete program focused on things like effective communication, leadership, teamwork, time management, emotional intelligence, interview techniques and other important skills that are needed to succeed in today's fast-paced workplace. Sixty nine students actively participated in the training.

During the program, participants took part in a number of hands-on workshops, practical exercises, group games, and simulations of real-life situations. Well-known experienced trainers from Life Smith India Mr. B. K Khwaja Sajid and Mr. Mir Tarique Ali shared their knowledge with the eager learners, giving them useful insights and advice.

The college celebrated the end of its intensive Soft Skills Training Programme with a big ceremony on 31st May 2023. The event marked the end of a successful training programme that was meant to help the students who took part to grow professionally and personally.

In the Valedictory program, Dr. S.M. Ali, Principal of ACET, expressed his view about how important soft skills are in today's job market, which is very competitive, and he has also motivated the students to use their new information and skills in their future work.

Dr. Tasneem Khan, Head of Science and Humanities Department thanked all the trainers, students, and staff who helped supported in conducting the successful Soft Skills Training Program. She expressed that ACET is always committed to giving students well-formed education that gives them the skills they need to do well in their chosen fields.

The students who took part were thankful for the chance to improve their soft skills, few participants have shared their experience about training program. The Valedictory function was compared by Dr. Ambareen Sheikh. Dr. A.Sajid Kazi and Prof. Shama Khan coordinated the training program.

REPORT

“IMPORTANCE OF LANGUAGE IN COMMUNICATION”

Date: 06TH FEB 2023, Timing: 12.00 PM to 1:00 PM

Electrical Engineering Department of Anjuman College of Engineering and Technology recently conducted guest lecture on 6TH February 2023 for all the students of department. Eminent speaker Mr. Nitin R. Shringhey, Training officer from Career Launcher, Nagpur was invited to enlighten the students on the technical topic “IMPORTANCE OF LANGUAGE IN COMMUNICATION”. The Guest Lecture was organized under the guidance and motivation of Dr. Syed Mohammad Ali, Principal, and Anjuman College of Engineering & Technology, Sadar, Nagpur, and Dr. Ruhi Uzma Sheikh Head of the Electrical Department. The guest lecture was arranged by Prof. Nahid Khan and coordinated by Prof. Ishraque Ahmed. Language helps us express our feelings and thoughts; this is unique to our species because it is a way to express unique ideas and customs within different cultures and societies. By learning a foreign language, you can understand ideas and thoughts that may be different from your own culture. Good language skills to some extent imply good communication skills. Hence without language skills, a student will not become part of society, let alone a professional. The seminar was very interactive, illustrative and knowledgeable. The seminar got a huge response and was attended by maximum number of students of the department.

Subject: Approval for conducting Technical Trainings for 3rd Semester students of CSE Department.

Respected Sir,

We humbly state that, because of non-availability of staff members the classes for 3rd Semester students are getting hampered. It has been suggested to conduct technical trainings for the students till the staff gets appointed.

Proposals are called for the same and following are the shortlisted proposals:

Sr. No.	Training	Duration	Fees	Remark
1.	Full Stack Developer (Front End & Back End)	15 Days (3-4 Hrs daily)	Rs. 30,000/-	
2.	Hands-on Training on "Python"	15 Days (3-4 Hrs daily)	Rs. 30,000/-	
Total			Rs. 60,000/-	

Kindly approve the same and sanction the amount of Rs. 60,000/-.

Thanking You,

Name of Event: Awareness program on Cyber Security	Date of Event: 31/10/2022
Name of Organizer: Department of Computer Science and Engineering	Duration of Event: 2Hr (10.00pm to 12.00pm)
Type of Participants: Students	Place of Event: ACET, Nagpur
Name of the Coordinator: Prof. Itrat Fatema	

October is celebrated as **Cyber Security Awareness Month (CSAM)** globally.

This year's theme is '**See Yourself in Cyber: Together we make it Safer**', focusing on the 'people' part of cybersecurity, providing information and resources to help spread awareness.

The title of the program, "**Cyber Safety Tips**" means enabling basic cyber hygiene practices: updating software regularly, do not fall into any financial fraud trap, be careful of what you post, having good strong passwords or a password keeper, and enabling multi-factor authentication on all sensitive accounts.

The students of Computer Science and Engineering Department had conducted various awareness programs in different departments of ACET to celebrate the cyber month and concluding event was conducted on 31st Oct, 2022 at 11:00-12:00 pm in CSE department.

Students had participated in the program and gain the knowledge about basic cyber hygiene practices. The session was interactive and informative. Students had appreciated the programs and expect to arrange similar programs for longer duration to acquire the in depth technical knowledge.
