Ref. No. _____

Date : _____

INTERNSHIP CERTIFICATE

Date: 23/12/2019

To whomsoever it may concern

This is to certify that Mr. ADNAN AHMAD KHAN was Interned with my company Gulf Constructions since 1st of December 2019 to 15th of December 2019 as a Civil Site Engineer.

His major responsibilities are supervising and inspecting the work like excavation, form work, steel binding, brickwork and plaster done by the contractor according to the drawing including estimation of the building work and billings.

His exposure in these areas is very good. During his tenure with us, he is ably handling major responsibilities on construction sites and found to be hardworking and very productive.

I have found him to be a self-starter who is motivated, duty bound and a highly committed team player with strong conceptual knowledge of civil engineering works.

I wish him all success in his future endeavours.

To,

Miss.Nidhey Indurkar,

SUB:- Internship Appointment Letter

Dear Nidhey,

We would like to welcome you on behalf of the Procohat family for obtaining the Web Developer internship position with **ProCohat Technologies Pvt. Ltd.** effective on **7th February 2020**. All of us at **ProCohat** are excited that you will be joining our team.

As we discussed during our first meeting, this is a non-paid academic internship during which you will be expected to provide 24 hours per week.

As such, your internship will include training/orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of concepts through hands-on application of the knowledge you've learned.

Congratulations on the feat and we look forward to working with you this coming year.

Sincerely,

A handwritten signature in blue ink, reading "Saloni Bagwani". The signature is stylized with a long, sweeping underline that extends to the right.

To,

The Principal,

Anjuman College of Engineering & Technology,

Sadar Nagpur.

Subject - To start the in-house Technical Training on "Front End Development"

Respected Sir,

Department of Electronics & Telecommunication is willing to start an in-house Technical Training on "Front End Development" for Second, Third & Final year students of our department. This is a certificate course and after successfully completing this course, student will get an E-Certificate. The syllabus comprises of HTML, CSS & JAVA SCRIPT, which will surely increase the employability of our students. The total duration of this course is 80 Hrs. The proposed fees is Rs 500/-

You are requested to kindly give permission to start this course which is beneficial for our students.

Thanking you,

Permission may be granted without any financial involvement of the college. Concern faculty & HOD has to take care of it.

(P. Gadge)
