Subject: - Regarding permission & to hire buses for student's one day industrial visit at **5MW SOLAR POWER PLANT CHANDRAPUR** on date **03/09/2019**.

Respected Sir,

With reference to above cited subject it is to inform you that the industrial visit of second year 3rd semester students of Electrical Engineering Department is going on dated 3rd of Oct, 2019 at **5MW SOLAR POWER PLANT CHANDRAPUR**. this is a part of their curriculum.

Sir, there are 52 students and four staff members i.e. total seats are 56. Hence, one 50 seater bus will be required to conduct this visit. The bus required have to be hired from outside. Hence, we called the quotations for hired one 50 seater bus for the said visit from some travels agencies which are attached herewith. From the comparative statement it is found that M/S HANDA TOURS & TRAVELS has lowest charges amounting Rupees.15000/- (Fifteen thousand Rupees only) for one 50 seater bus. During the visit one flower bouquet and sweet box will required and it expenses are likely to occur will be approx. Rs.310/-. Similarly for visit there is registration charge of Rs.118 per person. On telephonic lunch expenses per candidate is found to be Rs.100. hence, total expenses which are likely to occur will be Rs.15000/- (bus fare from outside) + Rs.310/- (bouquet and sweet box expenses) + Rs. 6608/- (registration fees for 56 candidate including faculty members also) + Rs. 5600/- (lunch expenses for 56 candidate) Hence, Total Approx. Expenses is Rs.27518/- (Twenty Seven Thousand Five Hundred Eighteen Rupees Only) Registration amount and lunch expenses will bear by student individually. And this expenses is calculated to be Rs.11336/- (Eleven Thousand Three Hundred Thirty Six Rupees only). So, the difference amount of Rs. 16182/- (Sixteen Thousand One hundred and Eighty Two Rupees Only) will require conducting this visit.

Hence you are requested to grant permission & release the expenses amount of Rs. 16182/- (Sixteen Thousand One hundred and Eighty Two Rupees Only) for the same.
