ABOUT THE TRUST

Anjuman Hami-E-Islam (AHI) is the biggest Minority Institution of erstwhile Province of C.P. & Berar and presently under the state of Maharashtra in its Vidarbha Division established long back, i.e. in 1888 and completed 131 years. It is the off-shoot of past social reformation movement of Sir Syed Ahmed Khan. Khan Sahab Mohd. Amir Khan was its founder President (1888-1910). Hon'ble Justice (Retd.) Z. A. Haq is the sole Administrator looking after all affairs of Anjuman Hami-E-Islam.

AHI is corporate body having its perpetual succession and seal. It is absolutely non-political, non-communal and non-sectarian in its policies, programmes and educational activities. It has its own constitution and is a registered body under the Societies Registration Act. (1927), and Bombay Public Trusts Act. (1970).

ABOUT THE INSTITUTE

The Anjuman College of Engineering and Technology is managed by Anjuman Hami-E-Islam, Nagpur. It is a pioneer Educational Trust, serving the cause of education in the region. For over 135 years. Irrespective of the considerations of the various caste and creed It has wide spread reputation in the field of education in Vidharbha and is currently running 20 educational Institutions. Institute is Established in the year 1999 with three branches Mechanical, Electrical, Electronics and Telecommunication, two more branches viz. Computer Science & Engineering and Civil Engineering has been added. Also in order to meet Industry 4.0 challenges, Artificial intelligence and Data Science branch was introduced. Slowly and steadily the College has carved a niche for itself and has established itself as a name to be reckoned with providing quality Technical Education at a very affordable cost.

ABOUT THE DEPARTMENT

The Department of Computer Science & Engineering (CSE) is a centre of excellence providing in-depth technical knowledge and opportunities for innovation and research with up-to-date computing facilities. Computer Science and Engineering Department was established in the year 2002 with a vision to achieve excellent standards of quality education in the field of computer science and engineering, aiming towards development of ethically strong technical experts contributing to the profession in the global society.
Department has an intake of 120 students, supported by excellent infrastructure, well equipped labs with Computers of latest configuration, latest softwares and tools, high speed leased line internet connection to cater industry and curriculum requirement.
