### From HOD'S DESK

*"AI doesn't replace people — it empowers them to do more."*  
— Satya Nadella

**Dr. M.T.Hasan**  
HEAD, ARTIFICIAL INTELLIGENCE  
AND DATA SCIENCE

It gives me immense pleasure to share the achievements and developments within the Department of Artificial Intelligence and Data Science. Our department continues to strive for excellence through academic innovation, research initiatives, industry collaborations, and student-centric activities. This newsletter reflects the dynamic spirit of our students and faculty, showcasing milestones in projects, workshops, internships, and publications. As we embrace the transformative power of AI and Data Science, we remain committed to nurturing talent, fostering innovation, and contributing meaningfully to the ever-evolving tech landscape.
